Courtney, semi regular, like monthly depending on whether there are any items to discuss (next is 5/21 after stormwater data comes back). If you could let me know who the technical person is, that would be much appreciated! On the listing side, we're also wanting to also talk to NP staff on when/what type of consultation is desired as well (Ken's side of things).

Thank you.

Hi Sean,

I think the Tribe already has a technical person involved - are you also having regular legal meetings?

Hi Courtney,

I wanted to check in with you to see if the Nez Perce wanted to participate in ongoing Bradford Island meetings and see if you had any input overall. Would you have time to discuss later this week or next?

Thank you & I hope you're doing well!
